FLASH POINT

A truly comprehensive approach to Apprenticeship Management

Everywhere you are

FlashPoint by Data Research Group is a browser-independent solution for managing Apprenticeship, Membership & Dues, and Fund Office activity in Multi-Employer Plans. All activity is secure and audited. Transactions occur over encrypted communication lines and all data access supports HIPPA compliance.

Total Access

FlashPoint supports both student and member logins to access OJT, Membership & Dues and whole lot more. Document management and website support are also integrated. Students can enter OJT from their mobile devices!

A Comprehensive Solution

FlashPoint provides extensive support for OJT, Upgrades, Class Management, Attendance, Grading, Evaluations, Membership & Dues, Contributions Support, Document Management, Event Management, Website support and much more!
